

ISTANBUL AYDIN UNIVERSITY

"Towards a Bright Future"

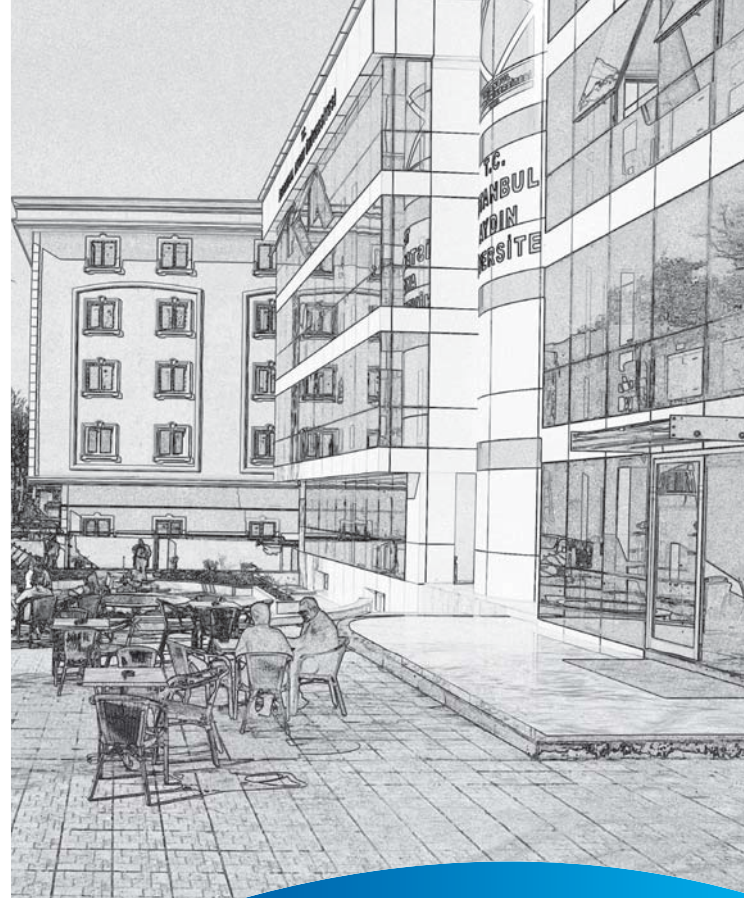

INTERNATIONAL RELATIONS AND POLITICAL SCIENCES

Summer School on Enviromental Management and Law

CALL OF ISTANBUL

Istanbul Aydın University is one of the privileged universities all over Turkey with its location in world's most beautiful cities. Istanbul is not only a natural wonder but also a vivid center of culture, arts and history. The Bosphorus lies between Europe and Asia, physically separating the two continents and connecting the West and East on a wonderful waterline in another sense.

Istanbul Aydın University will organize cultural tours in Istanbul's most beautiful, historical, mystic places such as Topkapı Palace, Blue Mosque, Hagia Sophia, Archeological Museum, Rumeli Castle.

THE HOST SCHOOL

Anatolian Education and Culture Foundation (AKEV) was founded in 1995 by Dr. Mustafa AYDIN and a group of academicians and businessmen who believe that the most important investment of a country is the educated individuals. AKEV aims to educate young generations as independent individuals who have superior qualifications, who are aware of their responsibilities, who combine their future prospects with those of country's prosperity and development.

In order to offer solutions to the problems within the education system in the 21st Century, Istanbul Aydın University, Anadolu BIL Higher School of Vocational Education and AKEV have created a distinguished atmosphere with the flourishing studies by using technological and innovative approaches. Istanbul Aydın University has 6 campuses located both sides of Istanbul which spreads over Europe and Asia continents. Florya Campus is the main site of the university where is only 10 minutes away from International Ataturk Airport.

It welcomes students from all over the world and from every background and age is proud of the family atmosphere that the school holds. The school has recently enlarged its range of services to students with an internet point, cafeteria serving hot and cold drinks, snacks and lunches, courtyards, recreation room and self study center and library. The classrooms are large and very well-lit.
